For an experiential event

United Way **Poverty Simulation**

1 in 10 Alberta students live in **poverty**

In this interactive simulation you will participate in an accelerated month of what it would be like in the life of a family member experiencing poverty. Embark on a unique mission as either a child or a parent to obtain basic needs such as food, work, education, and more despite the numerous challenges presented by impoverished living. Prepare to face a month of obstacles and gain new perspective on what it can be like to live in poverty. Debrief and learn about different supports that can be used to support our students and families here in Southern Alberta.

Thursday February 22, 2024

12:30 pm to 3:30 pm

University Hall Atrium | ULeth

This event is open to all [ATA Members](#) attending **SWATCA**, **no registration required**. Please show up at specified time to secure a spot. Due to logistic for the simulation, you will not be able to participate if you attend after we begin. ***Maximum of 88 participants**
